Saturday December 06<sup>th</sup>, 2008

Princess Ashraf Pahlavi, Royal Family and Princess Maryam Eghbal:

RE: Prince Capitan Shahriar Shafigh

In 1979, Prince Capitan Shahriar Shafigh from Imperial Iranian Navy was an audacious and honorable person who stood against tyranny of the Marxist-Islamist Utopia fiasco in Iran. Prince Capitan Shahriar Shafigh was clear example for all Iranian to stand against unjust entity in Iran and to defend their land despite all odds.

In February 1979, Prince Capitan Shahriar Shafigh charged at enemy and endeavor to defend his nation from aggressor, but the enemy was resourceful which forced Prince Capitan Shahriar Shafigh to go on self-imposed exile, and was preparing Imperial Iranian Armed Forces to emancipate Iran.

On December 07<sup>th</sup>, 1979 the Marxist-Islamist committed cruel act of inhumanity against this family man of honor, courage, and freedom lover, as he joined the golden page of history.

Taking this moment to express the most heartfelt and condolence to Princess Ashraf Pahlavi, Royal Family and Princess Maryam Eghbal.
